

Dear All,

I would like to inform you, that, due to the specific corona restrictions, we had to change our Smarna gora plan.

First of all, we had to exclude Smarna gora summit restaurant from the race.

So the course will not finish on the summit, but on the same location where is also the start. So it will be a typical up-downhill race. The new course will be about 11,5km long with 630m ascent and descent. Below you can see the course profile and the track.

The prizegiving ceremony will also take place in the start-finish area.

For this reason, we also had to cancel the Smarna gora RECORD that was scheduled for Friday.

We will update the web page shortly.

You are welcome!

Please do not hesitate if you have any further questions.

best regards,

tomo
